Today we talk about

1. Basic guidelines of Study Abroad (SA) concept at UT
2. Various SA offers either currently open or for the future reference
3. Some sources for stipends
4. Q&A session

Study or work abroad as a part of UT degree and that generally means:

- 1-2 semesters of studies or training at partner university(institution)
- recognition of the courses taken abroad;
- applying at UT, final decision made by host university
- in principle can be done several times per degree
- no tuition fee at host university
- scholarships opportunities depending on programme/partnership agreement

Basic guidelines: SA rules

- At least 15 ECTS at foreign university per UT semester;
- Nominal period of study at UT will be extended by semesters spent at a foreign university if:
 - study abroad lasts at least three consecutive months and
 - at least 15 ECTS completed abroad per semester get transferred
- For regulations concerning studying abroad see [here](#)
